(c) when did the construction start and what was the estimated cost then;

(d) whether the work has since been completed; if not, reasons for the same;

(e) the stage in which the work is presently pending?

(f) the total amount spent for the construction of the Building as on date;

(g) how much more fund will be required to complete the Building; and

(h) by when the building is expected to be completed?

THE DEPUTY MINISTER IN THE MINISTRY OF HUMAN RESOURCE DEVELOPMENT (DEPTT OF EDUCATION AND DEPTT OF CULTURE (KUMARI SELJA): (a) and (b) According to the information furnished by the ICSSR, Jawaharlal Nehru University allotted 434 acres of land to ICSSR and 1 acre to its Northern Regional Centre in 1986 on its campus;

(c) The original estimated cost for the complex comprising office block, guest house, hostel, Member-Secretary's residence and some residential units was 4.60 crores. However, the cost for construction of the administrative block, hostel, Member-Secretary's residence and guest house together with external development, etc. was revised to Rs. 2.44 crores. Construction work was started in May, 1987. The revised cost of Rs. 2.44 crores was further revised after the Council decided to go in for centralized airconditioning of the office and the guest house. Taking into account this modification as also the charges of the NBCC, the estimated cost was worked out to be Rs. 344.00 lakhs.

(d) and (e) The work on office complex is nearing completion. NBCC has undertaken to complete the administrative block and hand it over to the Council within three months after payments are released to them. Work on guest house, hostel and the residence of the Member-Secretary is complete in most of the place.

(f) to (h) The Council has informed that an expenditure of Rs. 4.54 crores has been incurred on the cost of construction of the building complex till March, 1993. The NBCC has furnished an estimate of Rs. 70.00 lakhs for completion of the construction of administrative block and general development of the area surrounding it. The exact date the Administrative Block is likely to be completed can be worked out only after the Council is in a position to release funds to the NBCC.

Illegal recovery in Novodaya Vidyalayas

(b) if so, whether Government do not provide assistance for the construction of Navodaya Vidyalayas; whether Government is giving them free hand of make such illegal recovery from the guardians;

(c) if not, what action Government have taken to refund this amount to all guardians; and

(d) what action has been taken against the principal?

THE DEPUTY MINISTER IN THE MINISTRY OF HUMAN RESOURCE DEVELOPMENT (DEPARTMENT OF EDUCATION AND DEPARTMENT OF CULTURE) (KUMARI SELJA): (a) and (b) Yes, Sir. The Navodaya Vidyalaya Scheme including all its construction work, is fully funded by Government of India. However, the boundary wall of each Navodaya Vidyalaya complex is constructed with 50 per cent financial assistance from the State Government concerned. In Jawahar Navodaya Vidyalaya, Kasargod, the Parent Teachers Association decided to collect funds on a voluntary basis for construction of the boundary wall as the consent of the State Government to bear 50 per cent cost has not been received.

(c) and (d) The funds had been raised on a voluntary basis by the Parent Teachers Association of the Vidyalaya and no request for refund has been received.

Female Infanticides in Bihar

@3420. SHRI S. S. AHLUWALIA: Will the Minister of HUMAN RESOURCE DEVELOPMENT be pleased to state:

(a) whether it is a fact that Bihar has the highest rate of female infanticide in the country;

(b) whether Government have conducted any survey in the recent past in this regard;

(c) if so, what are the results thereof; and

(d) what action Government propose to take to reduce the female infanticide in Bihar?

THE MINISTER OF STATE IN THE MINISTRY OF HUMAN RESOURCE DEVELOPMENT (DEPARTMENT OF WOMEN AND CHILD DEVELOPMENT) (SHRIMATI BASAVARAJESWARI): (a) While female infanticide is understood to be practised in certain parts of the country, there is no data to indicate its extent or state-wise trend.

(b) Government has initiated a multicentric nation-wide study of the problem. A study of the problem in Bihar has also been sponsored.

(c) The report of the study for Bihar has not been received.

(d) Various programmes of action and advocacy are being implemented by the Government in the country, including Bihar, for the welfare and development of women and girl children. Further, advocacy attempts are also being made to project positive images of girl children so as to bring about changes in social attitudes towards them. The Government has also initiated a media campaign to generate awareness in various issues relating to girl children in selected districts of Bihar. A National Plan of Action for the SAARC Decade (1991-2000) of the Girl Child focussing on survival, protection and development of the girl child has been formulated. A special set of interventions for adolescent girls has been institutionalised through the ICDS infrastructure.
